

Directions: Write 1-2 sentences on the person/idea given, and indicate its importance to rock history!

1) Woodstock

Woodstock was a large-scale concert that gathered up around 400,000 people to listen to various rock artists and bands. The event lasted multiple days and was peaceful despite people thinking there would be violence.

2) Bob Dylan

Bob Dylan was a musician who did rock music based around Cold War and Vietnam War and was an advocate for anti-war groups. His music had a lot to do with American Folk making a comeback.

3) British Invasion

The British Invasion is when British rock and British rock bands started making their way to America and tried to help revive rock and roll in America. This happens after the Beatles had made their way to America and included bands like the Rolling Stones, The Hollies, and the Animals.

4) Southern Rock

Southern Rock was a type of rock that was introducing new instruments like the Fiddle and the Banjo and usually had a lot of songs that catered to the working class.

5) Punk Rock

Punk rock was a very simple rock that was typically played as garage bands. These rock songs typically had to do with anti-authoritarian themes.

6) Sex Pistols

The Sex Pistols were a British punk rock band that made songs that had to do with anti-monarchy and censorship. They made the song, "God Save the Queen" which was meant to make a mockery of the Queen of England.

7) Dark Side of Oz

This was a conspiracy about one of Pink Floyd's albums (Dark Side of the Moon). The theory was that the entire album was based on the Wizard of Oz because the audio synced up almost perfectly.

8) Led Zeppelin

Led Zeppelin is a British hard rock band that worked in global collaboration after Woodstock.

9) "God Save the Queen"

This was a song written by the Sex Pistols that was made to insult the Queen of England and calling her a leader of a fascist regime. This helped the Sex Pistols become quite popular for Punk Rock.

10) Concept Album

A concept album is when the album is pretty much just one song. All of the tracks in the album are able to merge together and in a way tells a story. This was a big thing for Pink Floyd.
